LAP SWIMMING ETIQUETTE

The Aquatic Center strives to provide an atmosphere that welcomes swimmers of all ages and abilities to use the facility for a variety of aquatic fitness needs. Please be courteous to other swimmers and remember to share lanes, especially during high volume times.

Lane Designations - When choosing a lane, join with a swimmer who matches your speed, then notify the swimmer that you are joining them. Lodge staff may ask lap swimmers to change lanes as needed.

Ask Questions - Ask the lifeguard for help if you would like to know how long workouts have been in progress or what lane matches your workout level.

Treading Water - If you are treading water, please be mindful of other swimmers and choose a slow lane to tread in. You must be treading continuously back and forth.

Water Walking - Water walking is not allowed in the lap swimming lanes. Please use the shallow area outside of the lap lanes for water walking.

Sharing Lanes - Two swimmers: May each take one side of the lane. Three or more swimmers must circle swim.

Circle Swimming - Swim on the right side of the lane leaving the center of the lane open for passing. If you need to pass a fellow swimmer indicate this by tapping the person on their foot and then quickly pass in the middle of the lane, being cautious of oncoming swimmers.

Joining a Workout - If there is a workout set in progress, you may only join as part of the set.

Speed - Slower swimmers must yield to faster swimmers.

Passing - Pass on the left by gently tapping the swimmer on their foot.

Ages - Lap swimming is for all ages as long as you are continuously swimming.
