# YOUTH DANCE CLASSES

## Classes

This is a twenty-four week program broken down into two semesters; September—December and January—April. A list of class dates is on the reverse side of this flyer. The Dress Rehearsal is considered the 24th class of the program. Due to the size of the classes and varied skill levels, make up classes are not available if you miss your scheduled class time.

## Attire

Ballet, Tap, and Jazz students must wear a black leotard (skirts are not allowed) and pink tights or a black t-shirt and black active wear pants. Please wear tan tap shoes (no decorative bows) and pink ballet shoes. Double knot and cut off any excess ribbon on ballet shoes, or instructors will fit the shoes on the first day of class. Hip Hop, Poms, and Tumbling students will need to wear 'active wear' clothes in which they can move and Jazz, Acro or Tennis shoes. **Masks are highly encouraged but are not required at this time. All policies are subject to change to follow city and county rules.**

## Refunds

If a student drops within the month of October, a pro-rated refund is available. Students dropping after November 1st will not receive a refund, but will receive the costume ordered for the recital. It is your responsibility to notify of your intention to withdraw via email ([amyboyd@desperemo.org](mailto:amyboyd@desperemo.org)).

## Spring Recital

The Dance Rehearsal will be held on Friday, April 8 and Spring Dance Recital on Saturday, April 9 at a Ladue High School Performing Arts Center (1201 South Warson Rd., St. Louis, MO 63124). Costumes are included in the price of the program; however, guardians will be responsible for purchasing tights and shoes for the recital. Further recital information will follow.
