Between the hours of 8:00AM to 8:00PM Mondays through Fridays and 9:00AM to 5:00PM Sundays and Saturdays, GoHealth offers primary urgent medical care including:

- preventative medicine
- urgent care
- injury assessment and treatment
- laboratory services
- x-rays

Additionally, GoHealth actively partners with the local community to offer educational programs such as CPR, flu clinics, and physicals.

Headquartered in Atlanta, GA, GoHealth is an award winning, next-generation retail concept that has been in operation since 2013 with 80 centers in the New York and Portland, Oregon metropolitan areas, the San Francisco Bay Area and Hartford, Connecticut, and will soon open urgent care centers in multiple Midwest markets.

GoHealth's proposed center at 13275 Manchester Road will have 3-5 employees in rotation with 2-3 in the clinic daily. There are no proposed changes to the exterior of the building, nor to the site work. This urgent care center is not a private practice and will be available to clientele by walk-in basis.
